New Business

Billy Martin was given a rousing round of his applause for his generosity in time and energy he gives to Club.

Billy said he has one last thing to do in shooting shed putting insulation on ceiling.

Discussion on field lighting was kicked about and tabled.

Chris is going to rent a machine this spring and do some cleanup and finish the electric to skeet houses.

Fishing derby set for May 17.

Kevin talked about the fun and good PR we received from hosting private shooting parties. All agreed that it was due to our location and talent of the membership that these days were so successful.

George B. made a motion to by a loader for the trap launcher.

David Norman made a motion not by the loader and seconded by Don D. seconded.

Carried.

Club is going to send 2 of our junior members to Conservation camp.

Down D. would like to expand the board of directors by three. He said that he would work with officers to research bylaws and see what the process is. Don explained with everyone being so busy these days it is sometimes tough to get a quorum of officers at meetings.

Don d. and Keven R. talked about putting a five year plan of maintenance projects. Don will get together with Chris J. in the spring to put this project into motion.

There was discussion on free P.R. Club.

No old business

Meeting adjourn at 7:30
